

Mekong River Commission

Regional Flood Management and Mitigation Centre

Weekly Dry Season Situation Report for the Mekong River Basin

Prepared at: 25/01/2016, covering the week from the 18th to 25th January 2016.

Weather Patterns, General Behaviour of the Mekong River and Dry Season Situation

General weather patterns:

No critical weather during last week

General behaviour of the Mekong River:

Compared to the long term average (LTA), all water levels were fluctuating below or about the LTA, except Chiang Saen to Chiang Khan, Kratie and Tan Chau to Chau Doc that were above the LTA during last week.

For stations from Chiang Saen and Luang Prabang

Compared to long term average (LTA), during last week the water levels were above the LTA.

For stations from Chiang Khan, Vientiane and Nong Khai and Paksane

Compared to long term average (LTA), during last week the water levels at these stations were fluctuated below the LTA, except Chiang Khan that was above the LTA.

For stations from Nakhon Phanom to Pakse

Compared to long term average (LTA), during last week the water levels at these stations were fluctuated about the LTA.

For stations from Stung Treng to Kompong Cham

Compared to long term average (LTA), during last week the water levels at these stations were fluctuated about or below the LTA, except Kratie that was above the LTA.

For stations from Phnom Penh to Prek Kdam

Compared to long term average (LTA), during last week the water levels at these stations were fluctuated below the LTA.

Tan Chau and Chau Doc

Compared to long term average (LTA), during last week the water levels at these stations were fluctuated above the LTA.

Dry season situation

There were some rainfalls in the upper part of LMB and the maximum accumulated rainfall of 25 mm was at Luang Prabang station (see Table A2).

For more details see the following annexes:

- Tables for observed water levels and rainfall for the last week in Annex A
- The water levels graphs showing the observed water levels for the season in Annex B

Annex A: Graphs and Tables
